

THE MARK OF QUALITY IN
NON-FOOD ESSENTIALS

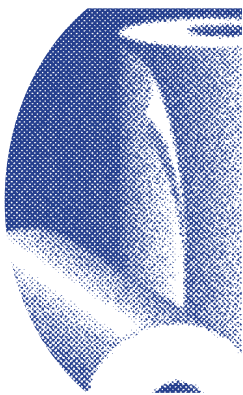

Performance Food Group is proud to offer the FIRST MARK family of disposable items for all of your foodservice needs. From foil to paper products, each product has been selected to represent the highest quality available when compared to competitive products in their class. These standards assure customer confidence in every product positioned under the FIRST MARK brand.

FOIL • FILM • STEAM TABLE PANS • FOOD STORAGE BAGS

From Foil and film to steam table pans and reclosable food storage bags, First Mark products are manufactured to exacting specifications to meet the changing needs of the foodservice professional.

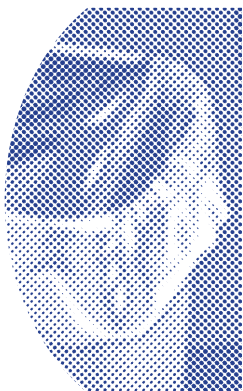

- Aluminum Foil for cooking, wrapping, storing and freezing.
- Easy-To-Use superior cling film with choice of cutting edge.
- Aluminum Pans for food preparation, storage and steam tables.
- Reclosable food storage bags keep dry, refrigerated and frozen foods fresh.

NAPKINS • TOWELS • TISSUE

From napkins to paper towels to bath tissue, First Mark products are manufactured to exacting specifications for the food service industry.

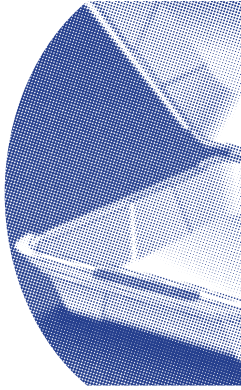

- Napkins provide exceptional quality and table appeal. Choose from beverage, luncheon, dinner and dispenser napkins in a variety of sizes for every dining need.
- Paper towels are designed to deliver performance and economy for kitchen and washroom needs. Available in perforated rolls, c-fold, multifold and multifold natural.
- Premium bath tissue rolls incorporate superior softness and are individually wrapped for easy storage. Biodegradable and septic tank safe.

CAN LINERS

From light to extra heavy can liners, First Mark products are designed to exceed industry standards and provide our customers with exceptional options.

- Made from metallocene resin for thinner bags that offers maximum strength and tear resistance.
- Puncture resistant and will not tear like conventional bags.
- Six point hexagon seal reduces seam stress and compartmentalizes trash to prevent leaks.
- Light, Heavy and Extra Heavy bags come in a variety of sizes and colors to fit any operator need.
- Conveniently packaged in coreless rolls for easy handling and storage.
- Crush proof dispenser carton for easy access.

FOAM PRODUCTS

From cups to plates to hinged containers, First Mark Foam products are manufactured to exacting specifications to exceed industry standards in quality.

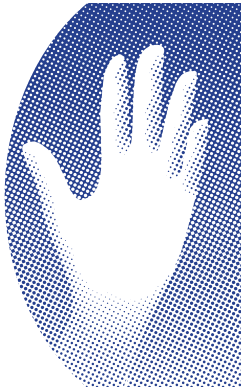

- Foam cups are insulated to keep beverages hot or cold while protecting the user's hands. Versatile and snug fitting lids can be used with hot or cold beverages.
- Foam plates, platters and bowls provide convenience and strength for any application. For additional durability and strength, choose laminated plates that deliver superior performance and cut resistance.
- Hinged Foam Containers afford maximum flexibility and convenience for any food service operation. Single or three compartment containers are compact for space saving storage with simple and secure closures. Perfect for take-out, buffets, delis or catering.

CUTLERY & STRAWS

From medium weight, heavy weight and full size cutlery to flexible straws, First Mark products are available to any and every food service operation.

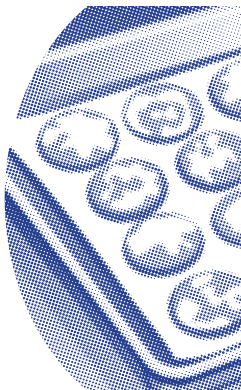

- Medium Weight – (Polypropylene) Streamlined design offers quality, flexibility with functionality at an economical price.
- Heavy Weight – (Polystyrene) Available in black or white for maximum versatility for any situation or occasion.
- Straws – Individually wrapped straws are conveniently packaged in dispenser boxes for ease of use and storage (Jumbo, Jumbo Flex, and Giant).

GLOVES

First Mark offers a variety of gloves to help operators comply with FDA sanitation standards. Comfort and quality come first with these fine foodservice glove products.

- Vinyl gloves are made of the highest quality materials.
- Ideal for general foodservice use.
- Slightly looser fit than Latex.
- Offers improved dexterity and touch sensitivity over looser-fitting Poly gloves.
- Available powder free (PF) or lightly powdered with non-allergenic modified corn starch.
- Comfortable rolled cuff.
- Available in small, medium and large.

DELI PAPER • BAKERY PAN LINERS

From Deli Paper to Bakery Pan Liners, First Mark products are designed to accommodate the professional baker to the weekend concession vendor with quality products.

- Deli Paper – Grease and moisture resistant papers help ensure product freshness and appearance, easy food release and excellent temperature retention for wrapping hot or cold food. Suitable for microwave use. Ideal for use as basket liners and sandwich and burger wraps, or use for food preparation or portion control purposes.
- Bakery Pan Liners – Quilon treated bakery pan liners eliminate the need for pan greasing and cleanup. Each liner resists grease, water and oven browning and promotes more even baking. Kosher certified and environmentally compatible, these liners offer a high wet strength for durability.
